NOTES

25X1

LEBANON-FEDAYEEN: The Popular Democratic Front for the Liberation of Palestine is reportedly ready to put into action its plan to close down the American University of Beirut. [REDACTED]

25X1

The PDFLP has for some time wanted to shut down the American-associated college because of its alleged "reactionary" influence in the Arab world. The organization's effort, however, may founder on the divergence of ideological views of the university student body. Student loyalties are probably divided among various factions of the fedayeen movement, and the majority may not readily follow PDFLP initiatives. [REDACTED]
